

LA GALAXY FUTSAL RULES – Major changes from 2022 to 2024 document

- Goal clearances cannot be kicked or half-volleyed; the ball must be thrown or rolled and cannot be 2nd touched by the Goalkeeper (GK)
- The GK cannot play the ball again in their half after it has been DELIBERATELY played to them by a teammate unless an opponent has touched it (14U and older only). The prior rules limited GK to one possession in their half of the court.
- Goals can be scored directly from corner kicks
- The ball no longer has to leave the penalty area to be in play from a goal clearance
- For ALL youth games (all ages below adult):
 - No intentional heading
 - No throwing of the ball directly across the halfway line by the GK after a save or during a goal clearance
 - No kickoffs directly into the opponent's goal
 - Slide tackles by field players with no contact are restarted with indirect free kicks and players are not automatically cautioned
